

Pétanque Tournament

Challenge yourself and other guests to a game of the popular French sport of pétanque

On Wednesday, you can challenge our guides to a game of pétanque, a modern form of the traditional game of boules. Originating in France, the aim is to throw hollow metal balls as close as possible to a small wooden target ball, known as the cochonnet or jack.

Our guides have been practising regularly at Place Paoli with experienced local players and have become formidable opponents. Get ready for a real challenge!
