

Canyoning Le Fango

Explore the Fango River with natural pools, slides and jumps

Explore the Fango River on an adventure suitable for the whole family! Together with our local guides, we follow the river downstream through natural pools, slides and jumps shaped by the water. With the Capu Tafunatu peak in the background and crystal-clear water, this aquatic hike is suitable for both adventurous and more cautious participants.

HIGHLIGHTS

- ✓ Experience the beautiful Fango River
- ✓ Views over Capu Tafunatu
- ✓ Active experience for the whole family
