

Hidden Beach Safari

Discover hidden coves and Plage de Saleccia, one of Corsica's most beautiful beaches

Discover some of Corsica's hidden beaches, accessible only by boat, off-road vehicle or a long hike. Surrounded by unspoilt nature, these secluded spots offer crystal-clear water, peaceful surroundings and beautiful coastal scenery.

We begin with a walk down to the harbour in L'Île-Rousse, followed by a boat ride along the coast. During the excursion, we make three stops at small, hidden beaches.

At each stop, you can swim in the turquoise water, explore the coastline, relax on the beach or simply enjoy the peaceful surroundings.
